

Budget

Important rules

- 1) Hourly student workers must be paid at or above the federal or NYS minimum wage, whichever is higher.
- 2) Graduate student appointments during fall or spring terms require tuition be budgeted (\$6,000 per student per semester) be budgeted, unless waived by appropriate dean. Graduate students can only be hired as hourly workers during summer or winter terms, not during the academic year. GA rates are set by college/school.
- 3) Summer salary, fellowships and/or course buyouts for faculty are not allowed.
